Rent Payment Methods

It is most important to ensure your rent is paid on time. Non-payment of rent or regular late payment of rent could lead to the termination of your tenancy. If at any time throughout the tenancy you have a problem making your payment please contact the office as soon as possible.

Listed below are the methods in which payments can be made and the average time these payments take to clear.

STANDING ORDER	needs to be taken from your account four days before the rent due date i.e if your rent due date is the 10th of the month the payment needs to leave your account on the 6th of the month
INTERNET PAYMENT	needs to be taken from your account four days before the rent due date i.e if your rent due date is the 10th of the month the payment needs to leave your account on the 6th of the month
CHEQUE	needs to be received seven days before the rent due date i.e if your rent due date is the 10th of the month the cheque needs to be at the office by the 3rd of the month before 4pm
BANKERS DRAFT	can be paid any day up to and including the rent due date
CASH	can be paid any day up to and including the rent due date by arrangement.

Please call 01209 500 123 to arrange payment

Make cheques or bankers drafts payable to "Westcountry Investments Ltd"
